Significant Event

1. The BoD further resolved that with effect from May 30, 2013, the Fund will make provision on account of WWF at the rate of 2% of net accounting income under the WWF Ordinance, 1971. Accordingly, the fund has recorded a provision for WWF of Rs. 4.7340 million for URSF - DSF as at December 31, 2016.
2. Effective from 01 July 2011, Sindh Revenue Board under Sindh Sales Tax on Services Act, 2011 has applied Sales Tax on all services rendered by Non-Banking Financial Institution. The Sales Tax is being charged @16% on Management Fee paid/payable to the Management Company.
3. On 30 June 2016, the Honorable Sindh High Court of Pakistan has passed the Judgment that after 18th amendment in Constitution of Pakistan the Provinces alone have the legislative power to levy a tax on rendering or providing services therefore chargeability and collection of Federal

Excise Duty (FED) after 01 July 2011 is Ultra Vires to the Constitution of Pakistan. The Management Company as a matter of abundant caution has not reversed the provision of FED, as the Federal Board of Revenue could file an appeal with Honorable Supreme Court of Pakistan against the Judgment passed by Honorable Sindh High Court of Pakistan. Furthermore, after the promulgation of Finance Act, 2016 FED is no longer applicable to Collective Investment Scheme with effect from July 01, 2016.

4. Further, as a consequence of the 18th amendment to the Constitution, levy for Sindh Workers' Welfare Fund (SWWF) was also introduced by the Government of Sindh through the Sindh Workers Welfare Fund Act 2014 (SWWF Act 2014). SWWF Act 2014, enacted on May 21, 2015, requires every Industrial Establishment located in the province of Sindh and having total income of Rs. 500,000 or more in any year of account commencing on or after the date of closing of account on or after December 31, 2013, to pay two percent of its total income declared to SWWF. The said Act includes any concern engaged in the Banking or Financial Institution in the definition of "Industrial Undertaking" but does not define Financial Institution. The Management Company, based on an opinion obtained by the Mutual Fund Association of Pakistan (MUFAP), believed that Mutual Funds are not liable to pay SWWF under the said law, for the reason that the Mutual Funds are not financial institutions and rather an investment vehicle. However, the Sindh Revenue Board has not accepted the said position of MUFAP and as a result, MUFAP has taken up this matter with the Sindh Finance Ministry for resolution.

In view of the above, MUFAP obtained a legal opinion on the applicability of WWF and SWWF on Mutual Funds, and based on such legal advice, recommended to all its members through letter dated January 12, 2017 the following:

- i) The provision against the WWF held by the Mutual Funds till June 30, 2015 should be reversed on January 12, 2017; and
- ii) Provision against SWWF, on prudent basis, should be made from the date of enactment of the SWWF Act, 2014 (i.e., May 21, 2015) with effect from January 12, 2017.

Accordingly, the Fund has recorded these adjustments in its books of account on January 12, 2017. Based on which the provision against WWF has been reversed and provision related to SWWF has been recorded. The provision against SWWF has been charged to the tune of Rs. 2.67 million in URSF-DSF as at September 30, 2018.

Key Assumption for Portfolio valuation

Following are key assumption used in Portfolio valuation:

Financial instruments

All the financial assets and financial liabilities are recognized at the time when the Portfolio becomes a party to the contractual provisions of the instrument. Financial assets are derecognized when the contractual rights to receive cash flows related to the asset expire. Financial liabilities are derecognized when they are extinguished, that is, when the obligation specified in the contract is discharged, cancelled, or expires. Any gain or loss on derecognizing of the financial assets and financial liabilities is taken to the income statement in the period in which it arises.

Revenue recognition

Gains / (losses) arising on sale of investments are accounted for in the period in which they arise.

Income on reverse repurchase, certificates of investment, placements, government securities and investments in debt securities are recognized at rate of return implicit in the instrument/ arrangement on a time proportionate basis.

Profit on bank deposits is recorded on accrual basis.
