1. The BoD further resolved that with effect from May 30, 2013, the Fund will make provision on account of WWF at the rate of 2% of net accounting income under the WWF Ordinance, 1971. Accordingly, the fund has recorded a provision for WWF of Rs. 4.7340 million for URSF - DSF as at December 31, 2016.

Effective from 01 July 2011, Sindh Revenue Board under Sindh Sales Tax on Services Act, 2011 has applied Sales Tax on all services rendered by Non-Banking Financial Institution. The Sales Tax is being charged @16% on Management Fee paid/payable to the Management Company.

3. On 30 June 2016, the Honorable Sindh High Court of Pakistan has passed the Judgment that after 18th amendment in Constitution of Pakistan the Provinces alone have the legislative power to levy a tax on rendering or providing services therefore chargeability and collection of Federal Excise Duty (FED) after 01 July 2011 is Ultra Vires to the Constitution of Pakistan. The Management Company as a matter of abundant caution has not reversed the provision of FED, as the Federal Board of Revenue could file an appeal with Honorable Supreme Court of Pakistan against the Judgment passed by Honorable Sindh High Court of Pakistan. Furthermore, after the promulgation of Finance Act, 2016 FED is no longer applicable to Collective Investment Scheme with effect from July 01, 2016.

4. Further, as a consequence of the 18th amendment to the Constitution, levy for Sindh Workers' Welfare Fund (SWWF) was also introduced by the Government of Sindh through the Sindh Workers Welfare Fund Act 2014 (SWWF Act 2014). SWWF Act 2014, enacted on May 21, 2015, requires every Industrial Establishment located in the province of Sindh and having total income of Rs. 500,000 or more in any year of account commencing on or after the date of closing of account on or after December 31, 2013, to pay two percent of its total income declared to SWWF. The said Act includes any concern engaged in the Banking or Financial Institution in the definition of "Industrial Undertaking" but does not define Financial Institution. The Management Company, based on an opinion obtained by the Mutual Fund Association of Pakistan (MUFAP), believed that Mutual Funds are not liable to pay SWWF under the said law, for the reason that the Mutual Funds are not financial institutions and rather an investment vehicle. However, the Sindh Revenue Board has not accepted the said position of MUFAP and as a result, MUFAP has taken up this matter with the Sindh Finance Ministry for resolution.

In view of the above, MUFAP obtained a legal opinion on the applicability of WWF and SWWF on Mutual Funds, and based on such legal advice, recommended to all its members through letter dated January 12, 2017 the following:

i) The provision against the WWF held by the Mutual Funds till June 30, 2015 should be reversed on January 12, 2017; and

Head Office : 4th floor, STSM Building, Beaumont Road,
Civil Lines, Karachi, Tel + 92 -21 – 111 825262

ii) Provision against SWWF, on prudent basis, should be made from the date of enactment of the SWWF Act, 2014 (i.e., May 21, 2015) with effect from January 12, 2017.

Accordingly, the Fund has recorded these adjustments in its books of account on January 12, 2017. Based on which the provision against WWF has been reversed and provision related to SWWF has been recorded. The provision against SWWF has been charged to the tune of Rs. 4.040 million in URSF-DSF as at March 31, 2020.

5. USSP-I has been added in the composite list as period of 45 days has been completed for inclusion in portfolio (first NAV announced date November 09, 2018). The Fund/Scheme has maintained provisions against Sindh Workers' Welfare Fund as of March 31, 2020 to the tune of Rs. 1.11 million.

Significant Event

1. The Finance Act, 2008 introduced an amendment to the Workers' Welfare Fund Ordinance, 1971 (WWF Ordinance). As a result of this amendment it may be construed that all Collective Investment Schemes /mutual funds (CISs) whose income exceeds Rs.0.5 million in a tax year, have been brought within the scope of the 'WWF Ordinance, thus rendering them liable to pay contribution to WWF at the rate of two percent of their accounting or taxable income, whichever is higher. In this regard, a constitutional petition has been filed by certain CISs through their trustees in the Honourable High Court of Sindh (SHC), challenging the applicability of WWF to the CISs, which is pending adjudication. In July 2010, a clarification was issued by the Ministry of Labour and Manpower (the Ministry) which stated that mutual funds are not liable to contribute to WWF on the basis of their income. This clarification was forwarded by Federal Board of Revenue (FBR) (being the collecting agency of WWF on behalf of the Ministry) to its members for necessary action through letter dated October 06, 2010. Based on this clarification, the

FBR also withdrew notice of demand which it had earlier issued to one of the mutual funds for collection of WWF. Notices of demand have also been issued to several other mutual funds and the matter has been taken up by the respective mutual funds with the FBR for their withdrawal on the basis of the above referred clarification of the Ministry. However, the Secretary (Income Tax Policy) Federal Board of Revenue vide letter dated January 04, 2011 subsequently cancelled ab-initio the clarification letter dated October 06, 2010 on applicability of WWF on mutual funds. On December 14, 2010, the Ministry had filed its response against the constitutional petition requesting the SHC to dismiss the petition. According to the legal counsel who is handling the case, there is a contradiction between the aforementioned clarification issued by the Ministry and the response filed by the Ministry in the SHC. During the current period, the Honorable Lahore High Court (LHC) in a similar constitutional petition relating to the amendments brought on the WWF Ordinance, 1971 through the Finance Act, 2006, and the Finance Act, 2008, has declared the said amendments as unlawful and unconstitutional. The Management Company is hopeful that the decision of the LHC, will lend further support to the constitutional petition which is pending in the SHC. Based on the above, the Management Company believes that the Fund is not liable to contribute to WWF. The amount of WWF was Rs. 0.3245 Million as at June 30, 2015. Further, consequent to amendments in tax laws through Finance Act 2015, where Mutual Funds & Collective Investment Schemes have been excluded from the definition of “Industrial Establishment”, no provision for WWF has been provided after June 30, 2015.

2. Effective from 01 July 2011, Sindh Revenue Board under Sindh Sales Tax on Services Act, 2011 has applied Sales Tax on all services rendered by Non-Banking Financial Institution. The Sales Tax is being charged @16% on Management Fee paid/payable to the Management Company.

3. On 30 June 2016, the Honorable Sindh High Court of Pakistan has passed the Judgment that after 18th amendment in Constitution of Pakistan the Provinces alone have the legislative power to levy a tax on rendering or providing services therefore chargeability and collection of Federal Excise Duty (FED) after 01 July 2011 is Ultra Vires to the Constitution of Pakistan. The Management Company as a matter of abundant caution has not reversed the provision of FED, as the Federal Board of Revenue could file an appeal with Honorable Supreme Court of Pakistan against the Judgment passed by Honorable Sindh High Court of Pakistan.

Furthermore, after the promulgation of Finance Act, 2016 FED is no longer applicable to Collective Investment Scheme with effect from July 01, 2016.

4. As of March 31, 2017, UBL Gold Fund (UGF) has been removed from the composite since it does not qualify the criteria for inclusion in the composite as minimum portfolio size is less than Rs. 100 million.

5. Further, as a consequence of the 18th amendment to the Constitution, levy for Sindh Workers’ Welfare Fund (SWWF) was also introduced by the Government of Sindh through the Sindh Workers Welfare Fund Act 2014 (SWWF Act 2014). SWWF Act 2014, enacted on May 21, 2015,

requires every Industrial Establishment located in the province of Sindh and having total income of Rs. 500,000 or more in any year of account commencing on or after the date of closing of account on or after December 31, 2013, to pay two percent of its total income declared to SWWF. The said Act includes any concern engaged in the Banking or Financial Institution in the definition of “Industrial Undertaking” but does not define Financial Institution. The Management Company, based on an opinion obtained by the Mutual Fund Association of Pakistan (MUFAP), believed that Mutual Funds are not liable to pay SWWF under the said law, for the reason that the Mutual Funds are not financial institutions and rather an investment vehicle. However, the Sindh Revenue Board has not accepted the said position of MUFAP and as a result, MUFAP has taken up this matter with the Sindh Finance Ministry for resolution.

In view of the above, MUFAP obtained a legal opinion on the applicability of WWF and SWWF on Mutual Funds, and based on such legal advice, recommended to all its members through letter dated January 12, 2017 the following:

- i) The provision against the WWF held by the Mutual Funds till June 30, 2015 should be reversed on January 12, 2017; and
- ii) Provision against SWWF, on prudent basis, should be made from the date of enactment of the SWWF Act, 2014 (i.e., May 21, 2015) with effect from January 12, 2017.

Accordingly, the Fund has recorded these adjustments in its books of account on January 12, 2017. Based on which the provision against WWF has been reversed and provision related to SWWF has been recorded. The provision against SWWF has been charged to the tune of Rs. 0.32 million in UGF as at July 31, 2017. The Fund revoked / cease to carry on its business w.e.f. August 02, 2017.
