## Key Assumption for Portfolio valuation

Following are key assumption used in Portfolio valuation:

### Financial instruments

All the financial assets and financial liabilities are recognized at the time when the Portfolio becomes a party to the contractual provisions of the instrument. Financial assets are derecognized when the contractual rights to receive cash flows related to the asset expire. Financial liabilities are derecognized when they are extinguished, that is, when the obligation specified in the contract is discharged, cancelled, or expires. Any gain or loss on derecognizing of the financial assets and financial liabilities is taken to the income statement in the period in which it arises.

### Revenue recognition

Gains / (losses) arising on sale of investments are accounted for in the period in which they arise.

Dividend income is recognized when the right to receive the dividend is established.

Income on reverse repurchase, certificates of investment, placements, government securities and investments in debt securities are recognized at rate of return implicit in the instrument/ arrangement on a time proportionate basis.

Profit on bank deposits is recorded on accrual basis.

## Proprietary Assets in the Composite

The Composite also contains investments of UBL Fund Managers Limited, UBL Fund Managers Limited Management, and UBL (UBL Fund Managers Limited parent company).

## Liability for Income Tax

Under the income tax law in Pakistan, the Fund is regarded as a public company for tax purposes. The income of the Fund is taxable, if the conditions stated in 9.1.2 are not met, at the tax rate applicable to a public company, which is presently as under:

(a) Dividend income is taxable at the rate of ten per cent (10%) for public companies on gross income basis

(b) Capital gains arising on sale of securities, listed on any stock exchange in Pakistan at applicable tax rates in accordance with the Income Tax Ordinance, 2001;

Return from all other sources/instruments are taxable at the rate of thirty five per cent (35%), applicable to a public company.

## Liability for Income Tax, if ninety per cent (90%) of the Fund's income is paid as dividend

Notwithstanding the tax rates and withholding tax stated under sub-Clause 9.1.1, the income of the Fund will be exempt from tax, if not less than ninety per cent (90%) of the income for the year is distributed amongst the Unit Holders as dividend (cash, stock or both). The ninety per cent (90%) of the income shall be calculated after excluding unrealised capital gains and as reduced by such expenses as are chargeable to the Fund under the Regulations.

## Withholding Tax

Under the provisions of Clause 47(B) of Part 4 of the Second Schedule to the Income Tax Ordinance, 2001, the Fund's income namely, dividend, profit on government securities, return on deposits/certificates of investment with banks/financial institutions, profits from money market transactions, profit from Profit or Loss sharing accounts with Banks of the Fund will not be subject to any withholding tax.

## Taxation of Unit Holders and Liability to Zakat

### (a) Withholding Tax

Unless exempted from such taxation or at a reduced rate under any law or Avoidance of Double Taxation Agreement, cash dividend paid to Unit holders of the Fund will be subject to withholding tax at ten per cent (10%) according to the present rates, which may change in future.

In terms of the provisions of the Income Tax Ordinance, 2001, the withholding tax shall be deemed to be full and final liability

in respect of such distribution.

### (b) Capital Gains

Capital Gains arising on disposition of Units of the Fund before the period of one year will be subject to withholding Capital Gains Tax at the applicable rates given in the Income Tax Ordinance, 2001. As per section 37 (A) of the Income Tax Ordinance, 2001, Capital gains shall be treated as a separate block of income and losses under this head can be adjusted by the unit holder from the capital gains in the same tax year. Any unadjusted loss under this head is not allowed to be carried forward to the subsequent tax years.

## Treatment for Separately Managed Discretionary Account (SMA):

The SMA shall be liable for payment withholding tax and other taxes on the investment amount and on returns or growth of investment. The Investment Adviser shall be responsible for complying with the requirements of law with regard to any deductions at source.

## Composite Description

UBL Funds Equity Composite includes Equity Portfolios with local equity and International Investment mandates that will aim to provide investors long-term capital appreciation by investing primarily in a mix of equities that offer capital gains and dividend yield potential. The Management Company will aim to maximize total returns and outperform its Benchmark. The composite currently comprises of only one Portfolio i.e., United Stock Advantage Fund (USF).

At times of high volatility or when the Fund Manager feels that equities as an asset class are in the over-valued zone, they may seek short term opportunities in authorized fixed income and money market instruments to reduce the risk profile of the composite and provide industry leading returns. This composite enables the investor with limited knowledge of direct investment in the equity market to attain diversification and capitalize on the professional fund management expertise available with UBL Fund Managers Limited.

(a) Dividend income is taxable at the rate of ten per cent (10%) for public companies on gross income basis.

(b) Capital gains arising on sale of securities, listed on any stock exchange in Pakistan at applicable tax rates in accordance with the Income Tax Ordinance, 2001;

Return from all other sources/instruments are taxable at the rate of thirty five per cent (35%), applicable to a public company.

## Liability for Income Tax, if ninety per cent (90%) of the Fund's income is paid as dividend

Notwithstanding the tax rates and withholding tax stated under sub-Clause 9.1.1, the income of the Fund will be exempt from tax, if not less than ninety per cent (90%) of the income for the year is distributed amongst the Unit Holders as dividend (cash, stock or both). The ninety per cent (90%) of the income shall be calculated after excluding unrealised capital gains and as reduced by such expenses as are chargeable to the Fund under the Regulations.

## Withholding Tax

Under the provisions of Clause 47(B) of Part 4 of the Second Schedule to the Income Tax Ordinance, 2001, the Fund's income namely, dividend, profit on government securities, return on deposits/certificates of investment with banks/financial institutions, profits from money market transactions, profit from Profit or Loss sharing accounts with Banks of the Fund will not be subject to any withholding tax.

## Taxation of Unit Holders and Liability to Zakat

### (a) Withholding Tax

Unless exempted from such taxation or at a reduced rate under any law or Avoidance of Double Taxation Agreement, cash dividend paid to Unit holders of the Fund will be subject to withholding tax at ten per cent (10%) according to the present rates, which may change in future.

In terms of the provisions of the Income Tax Ordinance, 2001, the withholding tax shall be deemed to be full and final liability in respect of such distribution.

### (b) Capital Gains

Capital Gains arising on disposition of Units of the Fund before the period of one year will be subject to withholding Capital Gains Tax at the applicable rates given in the Income Tax Ordinance, 2001. As per section 37 (A) of the Income Tax Ordinance, 2001, Capital gains shall be treated as a separate block of income and losses under this head can be adjusted by the unit holder from the capital gains in the same tax year. Any unadjusted loss under this head is not allowed to be carried forward to the subsequent tax years.
